KNOX HIGH SCHOOL
KNOX, INDIANA

OUR SCHOOL

Each day in our school is a new adventure filled with study and fun—adventures we will never forget.

We have a varied program in the courses offered to students. Some subjects primarily teach us to think and do logical reasoning; others give us manual skills to help us in our home life and future occupations. All are equally valuable in forming a well-rounded individual.

In addition to our studies KHS offers many activities in which we may participate. These activities help us in learning valuable ways to spend our leisure time. They also teach us the important requisite of getting along with other people. After leaving Knox High we hope that we will put into practice the theories we have learned here.

In all our experiences at KHS we are learning to live while living to learn.

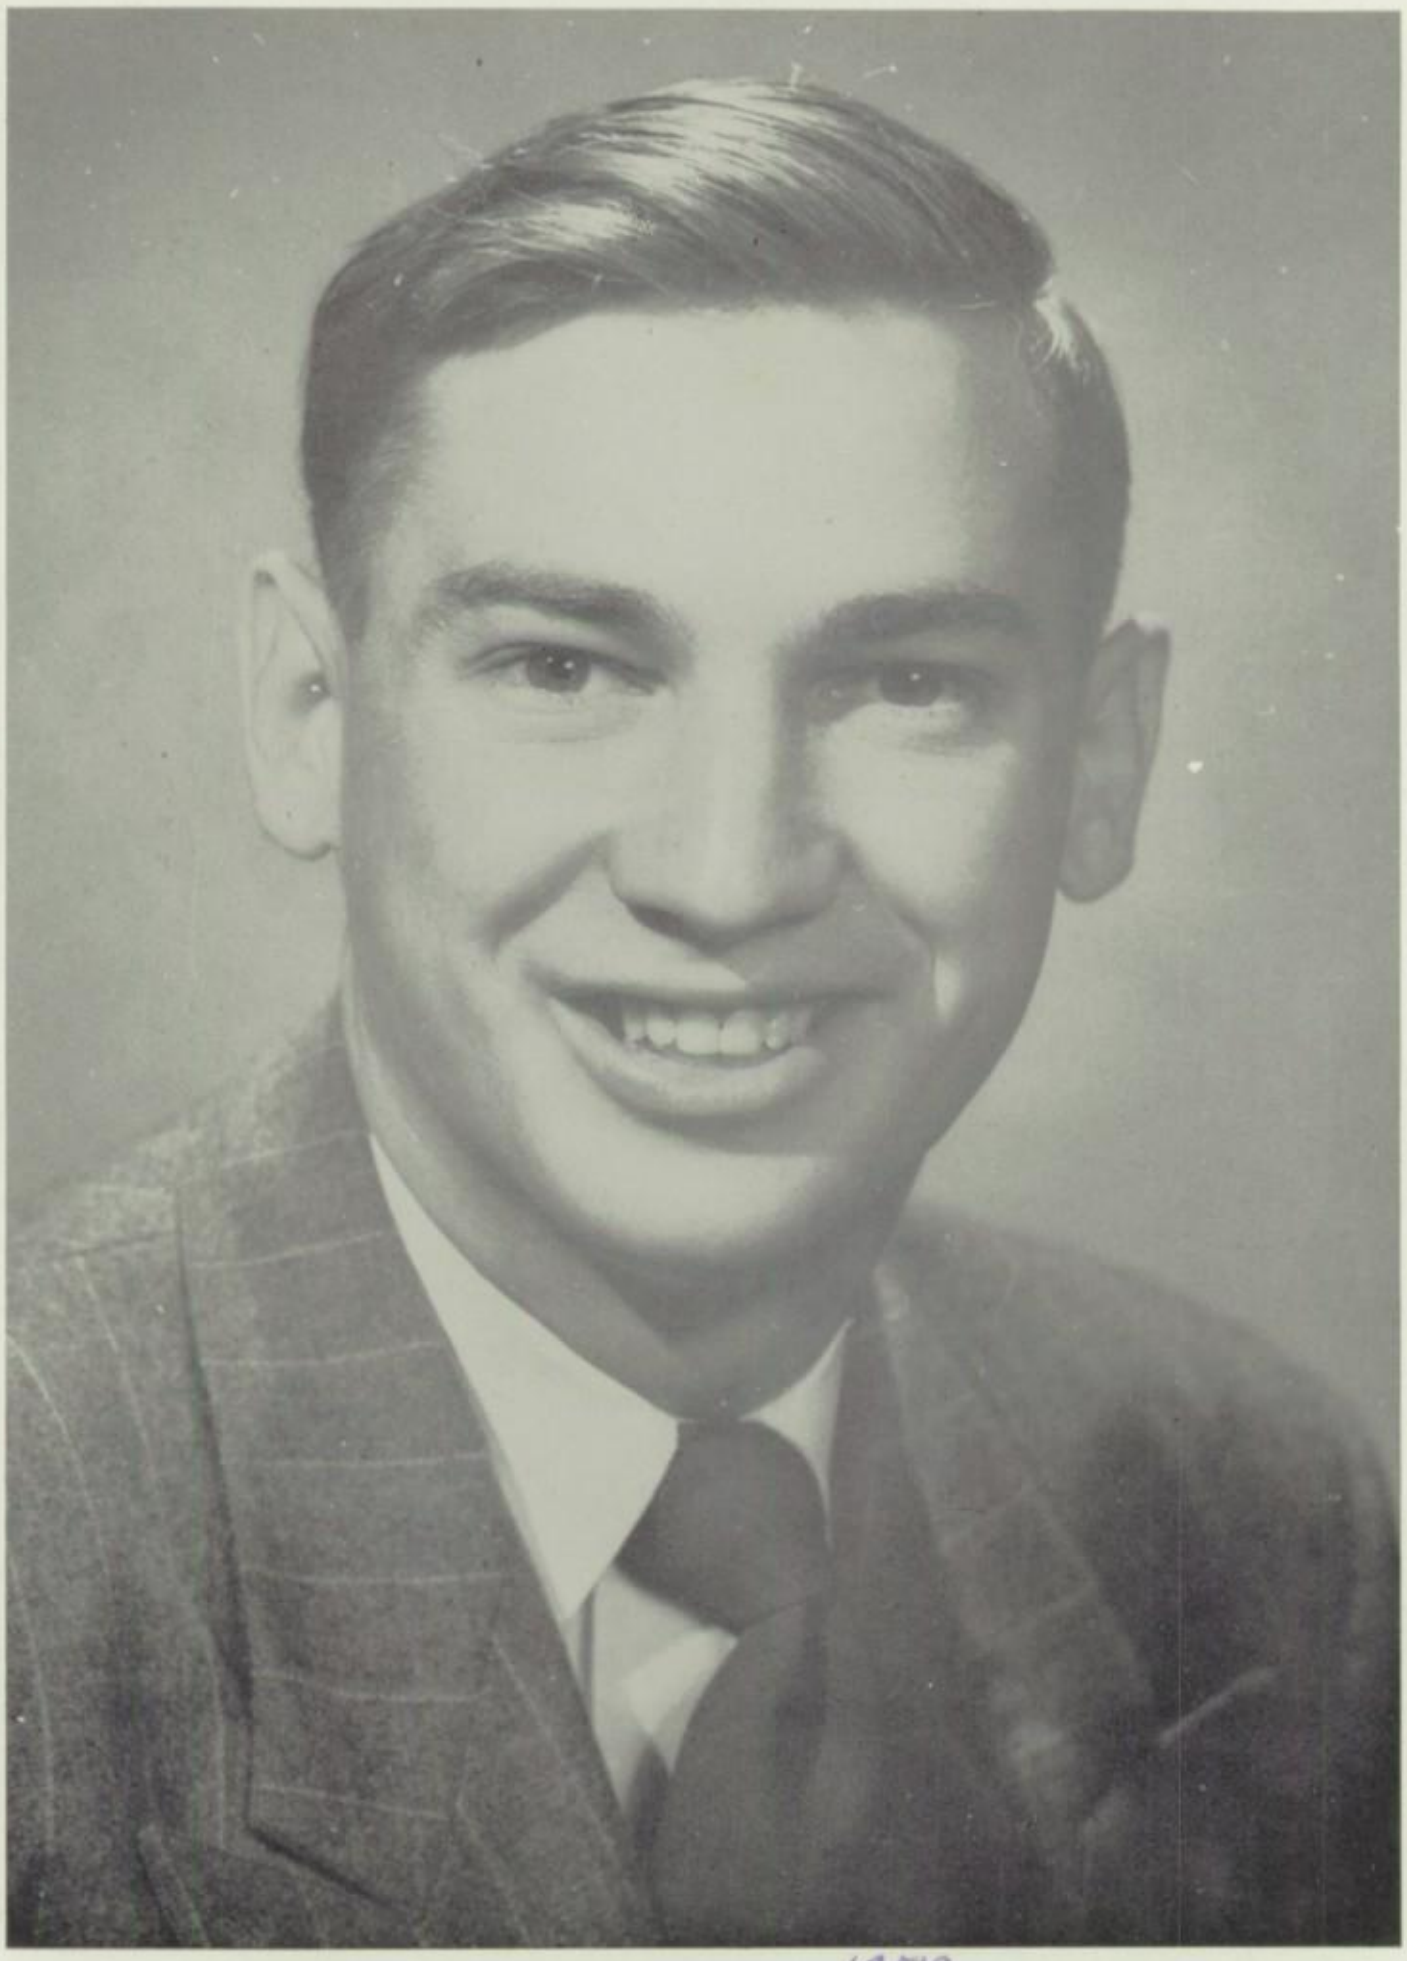
IN MEMORIAM



1958

Our entire school was saddened last November 26, by the death of one of our most loved and highly respected teachers. Although he is no longer with us, his courage, humility, humor, and sincerity will be an inspiration to us for many years to come. Because he taught us with patience, inspired us with confidence, and gave us encouragement when we needed it, he will always live in the hearts of his former students.

So it is with sorrow but also pride that we, the Annual Staff, dedicate the 1959 Sandbur to the memory of one of our school's finest citizens, Mr. James Tucker.

HOMECOMING EVENTS . . .

Mr. Snelling delivers a pep talk to on-lookers.

Junior float wins first prize.

Football boys participate in parade.

The first big event of the school year was Homecoming. In the afternoon the student body joined in the big parade of floats and queen candidates. The queen candidates looked lovely in their formals and highlighted the parade.

At the half of the evening game Charlene Vendl, 1957 queen, crowned Dorothy Clemons as the 1958 queen. Knox made the evening perfect by scoring a victory. After the game the students enjoyed the alumni dance.

The students at Knox High enjoy school life. There seems to be something to do for everyone. It took the sophomores a little time to get used to the ways of the upperclassmen but in a few weeks things ran smoothly. Every day it was a mad rush in the parking lot and in the halls but it's all a part of our school and no one seemed to mind.

PREPARING FOR THE CHRISTMAS SEASON

These girls did a good job of decorating our tree.

Mr. Laramore and Tom Folkers bring in the Christmas tree.

There was a joyous and happy spirit around KHS during the Christmas season. This year, before the two weeks vacation, everyone enjoyed the all-day party planned by the Student Council. Later in the afternoon the chorus put all the students in the caroling mood with their lovely program. To turn our thoughts to the true meaning of this happy season members of the speech class read passages from the Bible.

Did Santa surprise you, Virginia?

COURSES TO BUILD SKILL

Any time of day you can go past the typing room and hear the hum of the typewriters.

These students practice their skill at mechanical drawing.

At our school there are many skill building courses. Typing is one of the many business courses offered and most of the students find that it is helpful out of school as well as in. Mechanical drawing helps the future architects and promotes neatness. Physical Education classes are concerned with bettering one's physical appearance and is enjoyed by boys and girls. Home Economics is a course available to those future homemakers.

Physical Education classes improve muscle tone and coordination.

Lyn VanDeman knows the importance of becoming a good cook.

CURRENT EVENTS PROMOTE

During the last year world conditions have had a great influence in the academic increase. The teachers were surprised to find the big increase in their mathematics, English, and history classes. In this day and age we are striving to become better citizens and the conditions that face us require a better education.

Duty with a smile.

This year the safety patrol consists of seventh, eighth, and ninth grade boys. Under the directions of their advisors, Mr. Hamblin and Mr. Cira, Captain Tom Burkey, and Lieutenant Gerald Fletcher, they have strived hard to make Knox a safer place for the school kids in the morning, noon, and afternoon. The patrol boys are on duty, rain or shine. They stand guard at Main Street, Heaton Street, and at the Main Street railroad intersection. We wish to say thank-you to all of the patrol boys.

HIGH SCHOOL COUNCIL

STANDING: Jay Polen, Oris Fine, Bob Fletcher. SITTING: Mr. Laramore *(Sponsor)*, Tom Folkers *(President)*, Nancy Singleton *(Secretary-Treasurer)*, Linda Lock, Shirley Pitrowski.

The Student Councils consist of two members from each class and the president, Tom Folkers, who was elected by the whole student body. With their advisors, Mr. Laramore and Mr. Hamblin, they solve various problems of our school. This year the councils helped choose the lyceum programs for next year. Some of the other things they do are help in the selection of the cheerleaders, aid in the recreation program, and sponsor the Christmas program. The high school council also sponsors Homecoming and sells school supplies each day.

FIRST ROW: Irene Fee, Peggy Marks, Ellen German, Charilyn Sellers, Dorothy Clemons, Carol Back, Irene Griffith, Janice Johnson, Barbara Craig, Linda Johanan, Joyce Allen.

This year the forty-eight members of the chorus were under the direction of Donald McFall. They presented the annual Christmas and Easter programs and sang for many organizations. In January the chorus entered the District Contest and in April presented the Spring Concert. Within the chorus there were two mixed groups who sang for Kiwanis. Also there was a quartet that sang for clubs.

To raise funds the chorus presented a Hollywood Premier at the Knox Theatre. Various members acted as well-known actors, actresses and recording artists. The last performance of the chorus was at Baccalaureate and Commencement exercises.

In the fall of the year the band began its usual preparation for the marching season. During this time, shows were presented during the half and before the kick-off of each football game. The shows were planned so that there were various formations and dance steps to fit the novelty numbers, popular hits, school songs, or a good spirited march.

This year, as in the years preceding, the band attended the Annual Mardi Gras at the Riverview Amusement Park in Chicago.

After the marching season had come to a close, the band started preparing for the concert season.

During the concert season this past year we had many entries in the District Solo and Ensemble Contest, from which many went on to the State Solo and Ensemble Contest on February 21, 1959, at Butler University.

The band presented its Winter Concert on February 8, 1959. Also, in April the band participated in the Northern Indiana Band Contest.

On May 8, 1959, the band presented its Spring Concert in smart new uniforms. These were purchased for concert use only so as to preserve the life of the marching uniforms. They also have added an attractive appearance to the band.

The band was once again directed by Mr. Hughes and his new assistant, Mr. McFall.

"Practice can be fun, too," says Bob.

KNIGHTS OF SCIENCE REORGANIZED AFTER A DISCONTINUANCE OF TWO YEARS

The Science Club was reorganized this year under the supervision of Mr. Stanley Ratts. The club under the name, Knights of Science, is composed of only nine members due to its newness. In the meetings held every other Monday throughout the year they saw numerous films and discussed many different and enjoyable scientific phenomena.

Roger Nelson, Ralph Williams, Bernard Juracka, and David Hart perform an experiment at one of the meetings. By the expression on their faces it looks as though they are having fun.

DRAMA STUDENTS TRY THEIR TALENTS

Ted Pulla and Bonnie Madsen broadcast a radio play from the office over the intercom system in the office.

The Shakespearean Club is composed of only those people who take Speech and Dramatics. The meetings held each Friday consist of a short business meeting followed by a program which usually consists of either pantomimes, short skits or readings.

The club this year sponsored a dance after the Judson basketball game and another entitled "Shakespearean Shambles." At the latter they had an orchestra, chorus line (boys), and musical acts all by members of the club.

On April 29, the club and the members of the Senior English class went to Chicago to the Shubert Theatre and saw the play, *Music Man.* They also put on a lyceum program for the entire student body. Even though there is a great deal of work connected with being in the club, all of the members had a lot of good fun.

Nancy Singleton, Pat Karter and Pat Prchlik show everyone their rings as they pantomime the record Just Between You and Me.

Another pantomime is done by Earl Eggert and Bill Byer (female) to Stranded in the Jungle.

Ed Sperber and Mike Ross tease Diane Schultz during a skit.

Pat Prchlik, doing an imitation of Kathryn Murray, asks Roger Nelson to dance the cha-cha-cha.

Diane Schultz and Nancy Singleton give Jack Pulver and Mike Kimmey a "shave" during one of the humorous programs.

This year's Knox Chapter of F.F.A. has participated in many activities and farm enterprises. On the chapter farm there were eleven acres of soybeans and four acres of corn which the members cultivated.

This year the chapter enjoyed two picnics, a swimming party, and a football game at Purdue University. They also sponsored the Purdue Glee Club for the entertainment of the public.

At the beginning of the year name plates were issued to all F.F.A. members so that they might be recognized as official members.

Don't start throwing those eggs.

This year with the help of Mrs. Carey, the F.H.A. has been a very active organization. They started their year in October with the initiation of thirty-two new members. In December the F.H.A. held a Christmas Party for the F.F.A. boys. They elected a king, Ed Brems, and a queen, Ellen German. Also in December the F.H.A. then decorated Christmas trees at the hospital, Ruff's Nursing Home, and our school.

Let's pay attention please, girls.

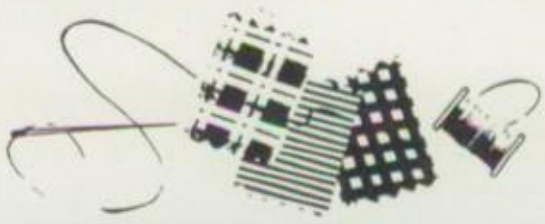
In February a banquet was held for the basketball boys. During the year they had a bake sale and a Valentine Dance as money making projects. They also had an Easter Egg Hunt for the members' smaller brothers and sisters.

To receive an award for F.H.A., they must earn fifty points. Points are earned by attending meetings, serving on committees, attending special meetings and being a chairman of a committee.

The F.H.A. closed their year with an annual picnic which all of them enjoyed.



Make it look pretty, girls.

Initiation sure looks tough.

GIRLS ENJOY SPORTS TOO

The '20's didn't have girls like these!!!

"WHAT haven't you got on?"

The Girls' Athletic Association of the Junior High School, sponsored by Mrs. Kelly, is a group of interested girls who wish to participate in wholesome sports activities offered by this recreation club. At regular meetings every Thursday after school in the Junior High Gym, such activities as endball, volleyball, basketball, deck tennis, and dancing are presented. Every one of the girls enjoys herself immensely in using her talents in skits, pantomimes, or singing. As an occasional change bowling and skating are offered. Rewards are given for attendance at meetings. With two points given for each meeting attended, forty points are required for an award. The seventh graders receive a two-inch "K," while the eighth graders receive a G.A.A. pin. Money from nominal dues and money made extra by various means go to pay for pages in the annual, the awards, and other miscellaneous expenses.

KNOX GRIDDERS HAVE FIRST

Coach Snelling in his second year as varsity coach had a winning team in Knox—the first time since 1950. He was assisted by Mr. Rhinehart and Mr. Beeson. Congratulations to all of them —we like to win.

This year's team had a successful year in winning five games and losing four. The squad consisted of fifteen seniors, seven juniors, and seven sophomores. We placed third in the Northern State Conference behind Bremen and Washington Clay.

We were very honored to have Bill Byer and Bink Benninghoff winning places on the All-Conference first team. Bill Barnett, Fred Byer, and Norm Berning were placed on the second team. Larry Dembinski was named for honorable mention.

We were very proud of the team this year and hope the winning spirit will continue through the coming years.

In the opening football game of the season, the Redskins traveled to Nappanee. The Redskins seemed to have first-game jitters during the first half and the powerful Bulldog backs took advantage of this fact and rolled up a 14-0 count at the half. They went on to win 20-0.

The Morocco Beavers scored six points in the second period but were stopped in their tracks by a hard fighting Knox line after the Redskins had tallied their first TD and converted the extra point. The final score was 7-6 in favor of Knox.

On September 19, Knox was host to the highly touted Bombers from Rensselaer. Knox full of revenge after last year's trouncing of 30-0 by the Bombers, marched in the third quarter to score a TD and the extra point to down the Bombers 7-6.

The powerful Colonials of Washington Clay journeyed to Knox on September 26 to be the opponents of the Redskins in their first Northern State Conference game. On the first play of the game the Redskins number one quarterback was injured. The Colonials capitalized on this fact and won the game 21-7.

After being trounced by the Clay Colonials the Redskins came back to start a three game winning streak by winning their first conference game by a 12-6 score over New Carlisle.

This year's homecoming was a brighter contest than it had been in the past. Knox racked up its highest score of the season when they ripped Delphi 41-26.

On October 17, the gridders traveled to North Judson where they were to play their archrivals, the North Judson Blue Jays. The Blue Jays scored all of their eight points in the first quarter. The Redskins tallied in the second and third quarters and beat the Blue Jays 20-8.

The last game of the season was played with Bremen. Bremen who won the conference this year trounced the Redskins 21-7.

HARRIERS END SEASON WITH 6-5 RECORD

This year for the harriers was very unusual. With seven lettermen returning it was a rebuilding and also a rewarding season. They finished with six victories and five defeats.

Also, Mr. Tucker, the regular coach, became very ill midway through the season and was missed very much by the boys. His place was taken by Mr. Wagner, who did a very fine job for the remaining portion of the season and is to be thanked by all for taking this responsibility.

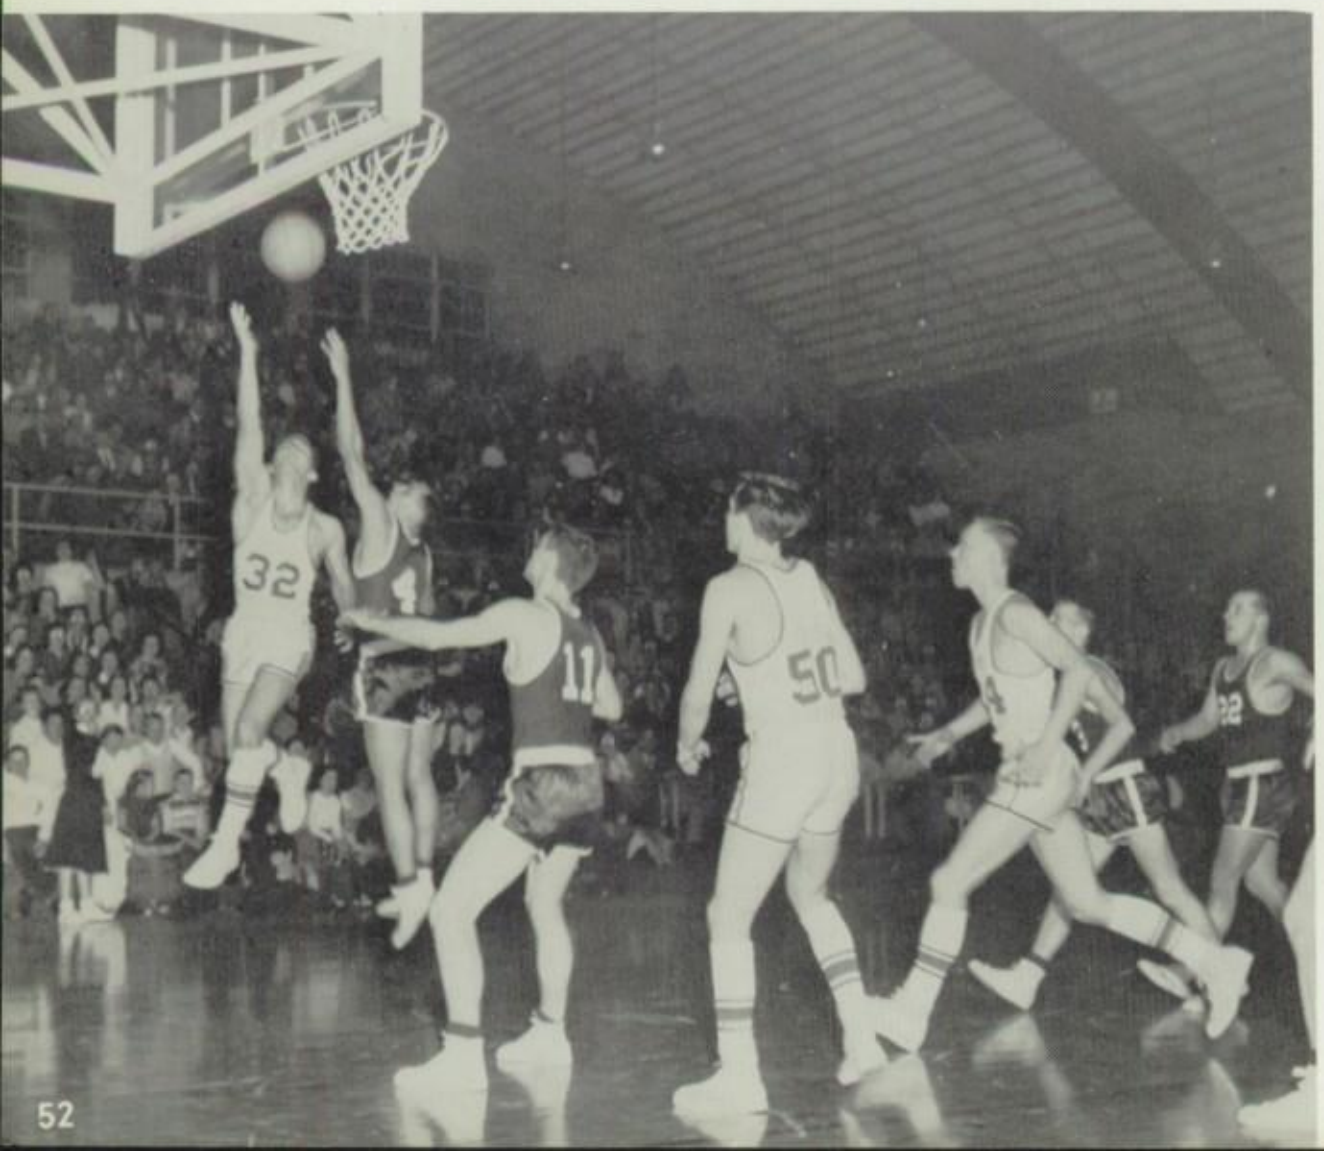
REDSKINS HAVE A DIFFICULT SEASON



The Knox varsity basketball squad composed of five seniors, four juniors and two sophomores got off to a good start at the beginning of the 1958-1959 season by downing Jimtown. After that game they faltered and only came back to life twice, when they beat Nappanee and Walkerton. Coach Beeson in his first year as a varsity coach tried many different combinations throughout the year but could find none that would click consistently. With six returning lettermen he should have a good nucleus for next year.

HIGHLIGHT '58 SEASON

This year's track season was one of the most successful seasons in our winning seven out of the eight regular track meets. Knox also took first in the Rensselaer Relays and finished seventh out of twenty-seven schools in the Goshen Relays.

Coach Tucker and the team are to be commended for their fine work and spirit during the season.

Becker keeps up the pace.

Drews finishes the mile.

Bales practices sprints.

Tom Parker puzzles, "Can I make it?"

McGovern clears the low ones.

Eggert clears bar at 5' 5".

Byer goes over at 10' 9".

Dembinski leaps to victory.

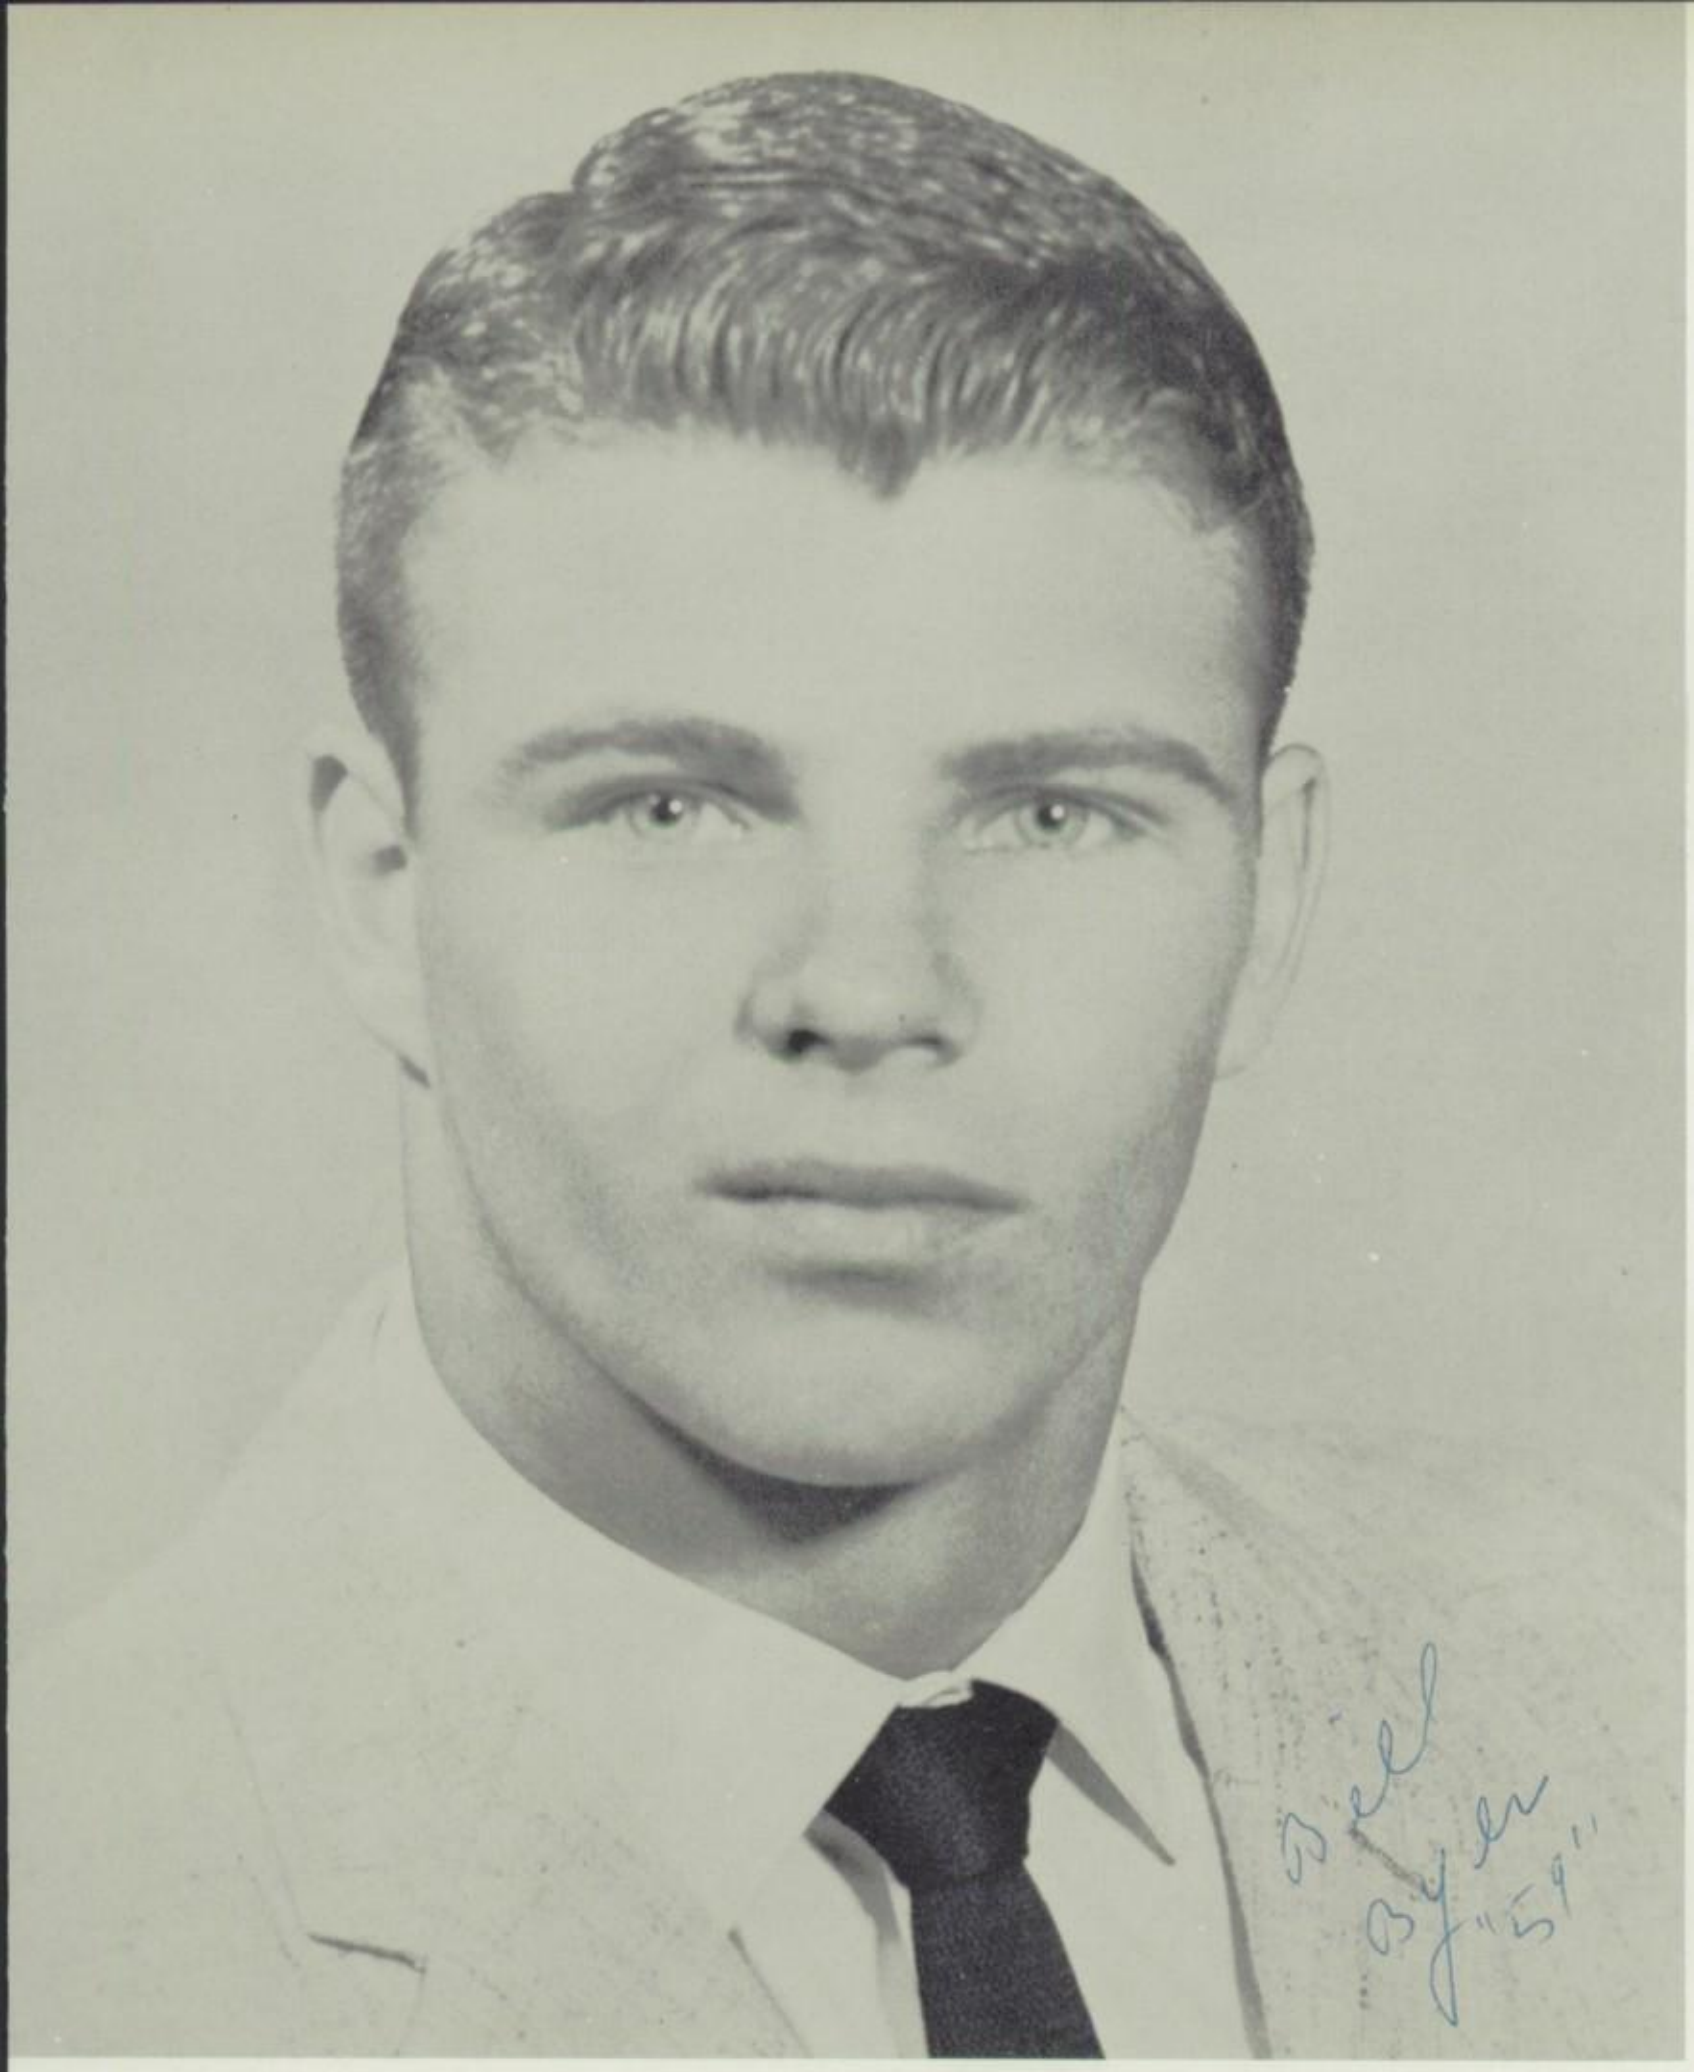
PRESIDENT OF THE STUDENT BODY

TOM FOLKERS

Being elected president of the student body is an honor and also a responsibility. The president must preside over the student council, and together they must work to improve the school. The president of the student body is chosen by the entire high school.

Tom Folkers was elected as this year's president. He was on the varsity football team for three years and on the track team for two years. Tom was vice-president of his class his freshman year and president his sophomore year. He has worked on the annual for three years and was a member of the "K" Club for two years.

We wish to thank Tom for a wonderful year of leadership and service.



BEN BOWEN AWARD WINNER

BILL BYER

Being chosen as the Ben Bowen Award Winner is one of the highest ambitions of every Knox High School boy who has participated in athletics. This award is given to the student whose record exemplifies clean living, sportsmanship, athletic ability, support of school activities, and good scholarship. The boy is selected with careful consideration by a committee consisting of all junior and senior high school coaches and principals, the superintendent of schools, and a representative of the school board.

Bill Byer was the first Junior ever to receive this award. Bill was on the varsity football team for three years and co-captain for two years. In his senior year he received the Backfield Trophy, was on the Tribune All-Indiana Area Team, and was on the N.S.C. all-conference first team. He was voted the most valuable player in his Junior year. He also was on the varsity basketball team for two years and on the track team four years.

He participated in other school activities and held many class and club offices.

We are all proud of Bill and his fine record, and we know he justly earned this award. He will be greatly missed next year.

SENIOR CLASS

Linda George, *Secretary;* Pat Prchlik, *Vice-President;* Lynn Dowd, *Treasurer;* Bill Byer, *President.*

Seniors! The word that brings magic to our thoughts. Seniors at last! It seems impossible that only four years ago we were the lowly freshmen at the junior high school.

When we were sophomores, becoming accustomed to high school life was our major problem. After overcoming lockers, new classes, and the crowded halls, we began to join clubs and participate in athletics.

In our Junior year we chose green and white as our class colors, the white carnation tipped in green as our flower, and "Today's footsteps, tomorrow's footprints" as our motto. The highlight of the year was the Junior-Senior Prom with the Japanese theme "Sayonara."

As seniors and as experienced actors we presented the play, "Three Blind Dates." Through organizations, athletics, and money-making projects, our school life passed quickly. When picking out announcements and being fitted for our robes, we realized with regret that our high school days would soon be over.

Senior Week with its many activities brought our school year to a close. Graduation ceremonies brought us together as a class for the last time.

And although all will remember Knox High, each one will miss it in his own way.

As Juniors we can look back on a wonderful year filled with more work, more fun, and more activities than we had ever experienced before.

Of course one of the highlights of the year was the receiving of our class rings, which we so proudly displayed to everyone. We were also immensely thrilled as we began making preparations for the Junior-Senior Prom.

We were well represented in all activities and can justly be proud of our class.

Our sponsors, Miss Richardson, Mrs. Amos, Mr. Simmons and Mr. Branham, have been very helpful in their advice and counsel.

It is with eagerness, yet with a little regret that we look forward to being Seniors next year.
